

Zorro

Facade light

Produktbeschreibung

The Zorro is a robust and stylish outdoor light made from high-quality steel. It combines timeless design with functionality, fitting perfectly into any environment. Thanks to its sturdy construction, it is ideal for outdoor use.

In the emergency lighting version, the Zorro is equipped with a durable battery that lasts up to 8 years. This significantly reduces maintenance efforts, and the light remains a reliable solution for emergency situations.

The Zorro not only provides practical lighting but also adds an elegant touch to your surroundings – perfect for both private and commercial areas.
